

WHAT WE DO

Our mission is big. We create opportunity by prioritizing progress over programs.

With **action pact's** help, our neighborhoods will be full of folks who can boost their education, overcome challenges, support their families, and contribute to their communities.

WHO WE ARE

Action pact is a community action agency deeply rooted in the promise of improving lives and strengthening communities.

OPEN MINDS OPEN DOORS

Learning happens at every age

Grab your thinking cap and unlock your potential. With a quality education, you can create new opportunities for you and your family.

- **PREPARE FOR SCHOOL** Start your little one's young mind on the right path with early education and skill-building classes.
- **FINISH SCHOOL** Turn your diploma dream into a reality with the support you need at every level.
- **SHINE OUTSIDE OF SCHOOL** Develop people skills and receive career counseling that will help you transition into adulthood or master it.

SAFETY NET TO SOLID GROUND

A detour doesn't have to be a crisis

Get back on your feet. Temporary help is available to turn daily and emergency needs into setbacks with solutions.

- **SHELTER** We can help lend a hand with utilities, provide referral sources for rent assistance and prepare your house for extreme weather.
- **MEALS** Get connected to services that keep you feeling full and healthy. We can provide reliable food sources for you and your growing family.
- **FORGE AHEAD** Work one-on-one with us to prevent further setbacks and achieve your goals.

SUPPORT YOUR SUPPORT SYSTEM

Provide your family with structure & stability

Prepare to face today and achieve a better tomorrow. Secure a healthy home life with a sense of safety, belonging, and community.

- **SMILE BIG** Support your family's well-being with health and nutrition programs and parenting classes. Receive assistance with navigating health insurance and establishing sources of consistent medical care.
- **MAINTAIN INDEPENDENCE** The option to continue living happily in your community is made possible with services that address nutrition, medical, and utility needs.
- **LEAN ON US** Every child deserves to be cared for. Whether it's navigating the foster care system, making financial aid decisions or preparing to enter grade school, we are available to provide support to children and their families.

CONTRIBUTE TO COMMUNITY

Move toward shared success

Don't just belong to your community—have an impact. Be present, help others, and play a role in making things better.

- **SERVE** Make your community stronger by volunteering, joining community groups, or providing financial support.
- **PARTNER UP** We are better when we work together. Connect with community partners to make positive change happen in your neighborhood.
